

Why do you need a  
hiding place?

There is a scary  
monster chasing me.

Do you hear that Cotton?  
What an imagination kids  
have these days.

Wait a minute Gene...  
There is something  
weird about that kid.

Hmmn?

I'm going to use my "Sight Of  
Souls" to try and look into  
this kid.

GENE! THE KID ISN'T  
LIEING! THERE IS A  
MONSTER CHASING HIM!

WHAT!

THERE IT IS!!

Fnar...

Greed

Um, Maybe we  
should bring the  
Kid.

Oh yeah,  
huh?

Hiyah  
Vince.

I see your ding-o-ling.

Maybe its time  
to switch the  
sight of souls  
off

Eeeeeeeeeee...

You mean Vince, the wacko cult leader from Europe a long time ago?

His greed was for power, and he found he could get it by making up a destructive religion.

Vince who?

Well, about eight centuries ago, Vince got tired of politics and tried to gain control in another way...

Species like snakes, locust and donkeys flocked to his teachings because elsewhere they were shunned by society.

From this he grew a small but loyal army to attack governments and bring him more power.

As his reach grew conquered people were forced to join his army or die.

Wow! Did the sight of souls tell you that?

No way, High school history 101.

So, what happened to Vince?

He got power hungry.

You mean he got greedy for power.

Yes. His reach stretched throughout the known world. But it wasn't enough for him.

He demanded control over whether those under him lived or died.

He insisted on live sacrifices to be made in his honor and he reveled in his control over his people.

Eventually Vince made a lot of enemies in his own army and they plotted to kill him.

After several failed attempts he died, stabbed in the back.

So how did he get to be that thing that's following us?

When Vince died he went straight to downtown Hell.

His former followers caught up with him and they were mighty pissed...

They put out his eyes...

Cut off his nose...

Removed his genitals...

And finally they set him on fire.

But it did nothing to him; his greed for power grew even in Hell.

He started a new religion based on slaughter and sacrifice, claiming it would please God and get them into Heaven.

And he became the sin Greed.

Say kid, what's your name?

Fnar.

Fnar? Isn't that "For No Apparent Reason"?

Sounds like a Bond film.

"For No Apparent Reason" I feel so special!!

STOM STOM STOM

Um...
